SUMMARY

Frontend Developer with 1.6+ years of experience building responsive and scalable web applications using React.js, Next.js, TypeScript, JavaScript, Vue.js, and Tailwind CSS. Experienced in developing reusable UI components, integrating REST APIs, implementing authentication workflows, and building modern, user-centric applications with a focus on performance and maintainability.

WORK EXPERIENCE

Junior Developer , Auramatics Technologies

Oct 2024 - Apr 2026

Fitness & Nutrition Platform (Next.js, TypeScript, Tailwind CSS)

- Developed a responsive fitness and nutrition platform using Next.js, TypeScript, and Tailwind CSS.
- Built a multi-step onboarding flow with BMI calculation and an interactive progress visualization to estimate users' weight-loss or weight-gain timelines.
- Developed reusable UI components and responsive layouts optimized for desktop, tablet, and mobile devices.

Lead Generation Platform (React.js)

- Developed responsive React.js interfaces for authentication workflows, messaging interfaces, lead management features, and integrated REST APIs for LinkedIn account connectivity and profile synchronization.
- Built reusable React components and implemented seamless frontend-backend communication.

Healthcare Management System (Vue.js)

- Developed role-based healthcare modules using Vue.js, including dynamic forms, reusable data tables, electronic signatures, and document management features.

Food Delivery Platform (Flutter, Socket.IO)

- Developed customer and driver applications with authentication, menu browsing, cart management, profile management, and location services.
- Implemented real-time order assignment, chat, order tracking, and live driver location using Socket.IO.

EDUCATION

Bachelor of Technology in IT

July 2020 - July 2024

University Institute of Technology
Shimla, Himachal Pradesh, India

Technical Skills:

- Frontend:** React.js, Next.js, TypeScript, JavaScript (ES6+), Vue.js, HTML5, CSS3, Tailwind CSS, Bootstrap
- State Management:** Redux Toolkit, Zustand
- Backend & API:** Node.js, Express.js, REST APIs, Socket.IO
- Database & ORM:** MySQL, Prisma
- Tools :** Git, GitHub, Postman, VS Code
